Quality Assurance for Teaching

- The Faculty of Science quality assurance for teaching requires that DIKU produces a:
 - Yearly teaching evaluation report (internal and public versions) providing a
 - Summary of the evaluation based on input from students and teachers as well as identifying courses that needs attention.
 - Describing actions to be taken for improvements of problematic study elements.
 - Yearly implementation plan for teaching evaluation.
- Plan (2009-2010) and public (2008-2009) versions are available at:
