    part4()

def part1():
    print("Why do you want me to
    throw them at you?' Asked the
    salesman?' So that I am able
    to tell my wife, in all
    honesty, that I caught them.'
    said Alex.")

def part2():
    print("Alex had a terrible day
    fishing on the
    lake, sitting in the blazing
    sun all day
    without catching a single
    one.")

def part3():
    print("On his way home, he
    stopped at the fishmonger and
    ordered four rainbow trout.
    He told the fishmonger, 'Pick
    four large ones out and throw
    them at me, will you?'"")

def part4():
    print("Okay, but I suggest that
    you take the salmon.' Why's
    that? 'Because your wife came
    in earlier today and said that
    if you came by, I should tell
    you to take salmon. That's
    what she'd like for supper
    tonight', replied the
    fishmonger with a grin.")
